Payroll Processing

***Save time
& money***

STAY IN CONTROL

You control the schedule. You decide when and where to process and distribute payroll.

You have full access to your records 24/7

SAVE TIME

Process payroll anytime, anywhere, in as little as 5 minutes!

No required forms for submission... just send us your hours!

SAVE MONEY

Simple, flat fee structure with no hidden costs

Flat fee includes: payroll processing, direct deposit, payroll reports, quarterly reporting, electronic delivery of pay stubs, self printing of checks and more!

Our Philosophy

Pay1 provides excellence in customer service to all our clients. We treat all of our clients with importance and respect, whether you have 1 employee or 150 employees!

Here's our promise to you:

- ***Your payroll records and fees are transparent***
This means you have complete control over your financial position and know exactly where your money is going.
- ***Your taxes are calculated accurately***
Our payroll system automatically updates as the IRS tax laws change. There is nothing to do on your part; Pay1 ensures that your taxes will be calculated and your payment amounts are correct.
- ***Your payroll will be accurate***
Whether you phone, fax, e-mail, or use our web-based payroll, you can be rest assured that your payroll will be correct. And, if you think something is not right, we'll fix it right on the spot!
